FLORIDA ASSOCIATION FOR STAFF DEVELOPMENT

VISION, MISSION, GOALS

Many of our colleagues and staff development programs are worthy of recognition for their contributions in furthering staff development in the state of Florida. Since 1981, the Florida Association for Staff Development (FASD) has honored such persons with awards.

Annually we solicit applications and nominations of programs that demonstrate the Florida Professional Development Protocol Standards.

Outstanding Staff

Development Practices

Applications and information may be obtained online at www.fasdonline.com

Vision

The Florida Association For Staff Development, Inc.:

Committed to professional growth of school-related personnel, the driving force for improving schools to effect significant improvement in school experiences of all students in Florida.

Mission

The Florida Association for Staff Development, Inc. will promote professional growth, leadership and support for those involved in facilitating learning opportunities for the educational community.

Goals

We will significantly improve school experiences of Florida students by:

- Demonstrating, modeling, and promoting state-of-the-art professional development for educational reform;
- Promoting collaboration and networking for relationships among groups seeking to meet the needs of Florida students;
- Facilitating a network for all professional growth opportunities and resources for improving schools;
- Promoting significant and ongoing study and conversations about the quality of professional development in schools to improve the learning opportunities and learning success of all students and staff.

MEMBERSHIP BENEFITS

- Annual Fall Leadership Conference provides professional growth opportunities aligned with Florida's Professional Development Protocol Standards and NSDC Standards.
- Conference opportunities to learn from nationally renowned speakers
- Annual Spring Forum focuses on state Department of Education initiatives, new legislation, and best practices among Florida districts and higher education.
- Quarterly newsletter disseminated electronically to all members
- Regional directors from the FASD Board build connections and support among districts
- Networking and sharing opportunities with districts and higher education
- Florida Department of Education partnerships and updates
- Award opportunities for recognition of and sharing of best practices
- Personal leadership growth opportunities
